Name of piece	Page no.	Bar no.	Mistake	Correction/Original
Variations on a Swedish folk song op.84	1		Pencilled suggestion of metronome marking, crotchet = 84	
Variations on a Swedish folk song op.84	6 (score)	Bar 11	3rd guitar	Note in manuscript: A better alternative is to slip a length of soft material, such as plastic foam 'rubber' under the strings of guitar 3, close to the bridge, wedged gently between the strings and the belly, to give a fairly 'open' étouffée sound. Use right hand normally and disregard instruction in bar 11.
Variations on a Swedish folk song op.84	8 (score)	4	2nd guitar, G in chord	delete G
